

Appl. No. 10/804,699  
Amdt. dated 3 October 2005  
Reply to Office action of 2 September 2005

**REMARKS/ARGUMENTS**

Applicants elect, with traverse, the species of FIG. 4. The claims believed to be readable on the species of FIG. 4 are 1-8, 20, 26, 32-34, and 37-38.

Applicants believe that certain of the claims, e.g. claim 1, is generic with respect to the species of FIGS. 4, 9, 12, and 18. Thus, upon allowance of claim 1 or a similar claim, applicants should be entitled to maintain a reasonable number of species in the current application, i.e. the species of FIGS. 4, 9, 12, and 18.

Respectfully submitted,

Edward L. Pencoske
